

Hampshire County Riding Club Presents: Working Equitation with Cathy Drumm

Saturday, May 13, 2023; Raindate Sunday May 14th

9:00 am to 4:00 pm

Club Grounds: 140 Ball Rd, Goshen, MA

Working Equitation is a bit like Eventing with three phases. When you are done your scores are combined from all phases to determine the winners. For this clinic we will concentrate on two of the 4 phases: Dressage, which is very similar to regular dressage with a few intriguing variations. And ease of Handling, where you are challenged to negotiate varying obstacles in a resistance free and correct manner. Beginners are encouraged and more advanced riders will find unexpected challenges and opportunities to explore.

Format: 3 two-hour sessions with a maximum of 6 riders in each. First hour is dressage; second hour is obstacles. Session 1: 9:00 – 11:00; Session 2: 11:30 – 1:30; Session 3: 2:00 – 4:00.

Clinic cost: \$125 per day for HCRC members; \$140 for non-members. Auditing is free to HCRC members and is \$20/day for non-members. No refunds after April 17.

****The clinic is limited to 6 riders per in each session**** Your spot will not be reserved until full payment is received via check.

About Cathy:

Cathy Drumm has been teaching riding and horsemanship for over 45 years. She has trained horses and riders in many disciplines including Dressage, Hunter/Jumper, Eventing, and Trail. In the last 10 years she has developed her Kindful Training Program. This program focuses on training horses and their humans in a manner that Kindfully seeks to bring out the best in both.

Since 2013 when she completed the Western Dressage Association's Train the Trainer program, Western Dressage has become one of her mainstays. She also teaches Working Equitation and Introductory Liberty which she finds benefits all horse/human partnerships. Mountain Trail completes her line up and has become a favorite, offering a way for horses and riders to become comfortable out on trail in a safe, supervised and supportive environment.
